Dear Grace Customer,

This letter is to confirm to you that Alltech Associates, Inc. ("Alltech") is a wholly owned subsidiary of W. R. Grace & Co.-Conn. ("Grace"), doing business as Grace Davison Discovery Sciences. Because Alltech is a wholly owned subsidiary of Grace, all Certificates of Analysis prepared by Alltech are issued under Grace's name, not under Alltech's. Likewise, all Alltech products are now marketed and branded using the Grace name.

However, Alltech remains a separate and distinct legal entity from Grace, though 100% owned by Grace. Because Alltech retains a separate legal identity, the DEA manufacturing and distribution license remains under the name Alltech Associates, Inc. This means that when you submit a Controlled Substance Order Form (a DEA-222 form), the name of the supplier on the DEA-222 form will be Alltech Associates, Inc. However, the products sold to you are sold using the Grace name and brand.

GRACE

Best Regards,
